Introduction

Rotary's Learning Center is a central location to find information and gain knowledge about Rotary. It's your source for learning, whether you're a new member seeking to explore all that Rotary offers, a club or district leader completing essential courses for your role, or a participant seeking to enhance your leadership skills. The courses and learning plans in the Learning Center also provide the most up-to-date information about current Rotary policies and practices.

The Learning Center is customized for you according to your membership status, your language, and your role in Rotary. You get to it by signing in to My Rotary. If you know nonmembers or prospective members who want to take courses, tell them that they don't have to be members to create a My Rotary account and use the Learning Center.

This is what you'll see if you're a Rotary or Rotaract member or the executive secretary of a Rotary club or district.
